SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**AMENDMENT 2 TO CONTRACT NO. 77239 FOR
LANDSCAPE AND GROUNDS MAINTENANCE SERVICES FOR
ROAD MAINTENANCE DISTRICT 146/446 IN THE UNINCORPORATED
COUNTY AREA OF WHITTIER
(SUPERVISORIAL DISTRICT 4)
(3 VOTES)**

SUBJECT

This action is to amend the contract for Landscape and Grounds Maintenance Services for Road Maintenance District 146/446 in the unincorporated County area of Whittier to expand the service area to include newly constructed medians and provide a one-time plant restoration improvement to medians.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the work continues to be categorically exempt from the provisions of the California Environmental Quality Act.
2. Find that the services continue to be more economically performed by an independent contractor than by County of Los Angeles employees.
3. Approve Amendment 2 to Contract No. 77239 with Far East Landscape and Maintenance, Inc., for Landscape and Grounds Maintenance Services for Road Maintenance District 146/446 to expand the service area and to provide a one-time plant restoration commencing upon the Board's approval and execution by both parties, whichever occurs last, at an additional \$23,832 to increase the annual amount from \$83,249 to \$107,081 prorated for the current contract year, an additional \$12,240 to increase the annual amount from \$83,249 to \$95,489 for the last remaining subsequent optional

renewal year, and the prorated monthly amount of \$7,958 for a month-to-month extension up to 6 months with a maximum contract term of 66 months.

4. Authorize the Director of Public Works or her designee to increase the annual contract amount up to an additional 10 percent of the contract annual sum for unforeseen, additional work within the scope of the contract, if required.

5. Authorize the Director of Public Works or her designee to execute the amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to expand the service area to include newly constructed medians and provide a one-time plant restoration improvement to medians for landscape and grounds maintenance services for Road Maintenance District 146/446 in the unincorporated County area of Whittier.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1), Fiscal Sustainability (Goal 2), and Integrated Services Delivery (Goal 3). The contractor who has the specialized expertise to provide these services accurately, efficiently, timely, and in a responsive and cost-effective manner will support the Department of Public Works in meeting these goals.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The requested prorated increased contract annual amount of \$23,832 will increase the annual amount from \$83,249 to \$107,081 prorated for the current contract year, an additional annual amount of \$12,240 to increase the amount from \$83,249 to \$95,489 for the last remaining subsequent optional renewal year, and the prorated monthly amount of \$7,958 for a month-to-month extension up to six months plus 10 percent contingency for unforeseen, additional work within the scope of work of the contract, if required.

Funding for the amended services is available in the Fourth Supervisorial District's Road Construction Program in the recommended Fiscal Year 2013-14 Road Fund Budget. Funding for the contract's remaining option year and 10 percent additional funding for contingencies will be requested through the annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On February 16, 2010, Agenda Item 16, the Board approved Contract No. 77239 for landscape and median maintenance services for an initial one-year period with four 1-year renewal options for a total contract period of five years at an annual contract amount of \$71,609, commencing on February 23, 2010, with Far East Landscape and Maintenance, Inc., located in Valencia, California.

On May 16, 2011, during the contract's first option year, this contract was amended to expand the level of service to include the areas of La Mirada Boulevard from Dunton Drive to Leffingwell Road and Mulberry Drive from Colima Road to 1,000 feet east of La Mirada Boulevard. Under Amendment 1, the annual contract amount increased to \$83,249 to include the new service areas.

Commencing upon the Board's approval, this contract will expand the service area to include newly constructed medians and provide a one-time plant restoration to medians in the unincorporated County area of Whittier.

Amendment 2, which is substantially similar to the enclosed form (Enclosure), will continue the contract's current terms, specifications, and conditions. Prior to the Director of Public Works or her designee executing this amendment, the contractor will sign and County Counsel will review it as to form.

The contractor will continue to pay its full-time employees the current Living Wage Rate approved by your Board on February 6, 2007, and confirms that it will comply with the County's Living Wage reporting requirements. The County's Proposition A and Living Wage Ordinance (LWO) provisions apply to the contract, as County employees can perform these contracted services. The contract complies with all of the requirements of the Los Angeles County Code, Section 2.201. The contractor will continue to pay its full-time employees the required minimum rates of \$11.84 per hour without health benefits, or \$9.64 per hour with health benefits of \$2.20 per hour, as specified in the LWO adopted by the Board on March 15, 2007, and confirmed that it continues to comply with the County's Living Wage reporting requirements.

Pursuant to the applicable memorandum of understanding, the appropriate union was notified on May 20, 2013, of this recommended action to amend the contract.

Using methodology approved by the Auditor-Controller, the Proposition A cost analysis indicates that the additional services can be performed more economically by the private sector.

ENVIRONMENTAL DOCUMENTATION

The proposed work is categorically exempt from the California Environmental Quality Act (CEQA). The work is within a class of projects that has been determined not to have a significant effect on the environment in that they meet the criteria set forth in Section 15301(h) of CEQA.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the amendment will continue the current contracted services and expand the service area.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Administrative Services Division.
